Attention Show Feed Customers:

It's that time of the year again! It's Show Time!!! The event your kids have been working toward for the last several months.

We would like to recognize your son or daughter and their achievements. Every year we run a centerfold ad in our local newspaper highlighting our customers projects. If you would like to be included, please return this form with the needed information and a photo of your child with his/her livestock project.

We will print one picture of each child in the fair edition of the Maquoketa Sentinel Press.

Thank you.
